INVESTMENT OBJECTIVE AND STRATEGY

The Fund aims to achieve long-term capital appreciation and income growth over a medium to long-term investment period.

Investments will be in a combination of select equities (a maximum of 60% of the total portfolio) and fixed-income securities with an average duration of three years or less.

CLIENT SUSTAINABILITY

A client profiling should be performed prior to participating in the Fund to guide prospective investor if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/ Plan Rules of the Fund, which may be obtained from the Trustee, before deciding to invest.

The **STERLING BALANCED FUND** is suitable only for investors who:

- Have an aggressive risk profile
- Have an investment horizon of at least three (3) years
- Are willing to be exposed to greater price volatility and risk of a balanced investment
- Are looking for long term capital appreciation and income growth through price appreciation and through a regular stream of income from fixed rate securities

KEY RISK AND RISK MANAGEMENT

You should not invest in this Fund if you do not understand or are not comfortable with the accompanying risks.

- **Interest Rate Risk** - This is the possibility for an investor to experience losses due to changes in interest rates.
- **Market/Price Risk** - This is the possibility for an investor to experience losses due to changes in market prices of securities.
- **Liquidity Risk** - This is the possibility for an investor to experience losses due to the inability to sell or convert assets into cash immediately or in instances where conversion to cash is possible but at a loss.
- **Credit/ Default Risk** - This is the possibility for an investor to experience losses due to a borrower's failure to pay principal and/or interest in a timely manner on instruments such as bonds, loans, or other forms of security which the borrower issued.
- **Related Party Risk** - This is the possibility for an investor to experience losses due to potential conflict of interest in a related party transaction.

OTHER DISCLOSURES

RELATED PARTY TRANSACTIONS. The Fund has deposits with the Bank Proper amounting to PHP758,214.45, which was approved by the Trust Committee. Likewise, all related parties transactions are conducted on an arm's length basis.

OUTLOOK AND STRATEGY. BSP maintained its policy rates, stating that the inflation outlook is well within target. Headline inflation for the first five months of the year was at 2.2% which is within the low-end of its target range. The PSEi reversed its 1Q15 gains within the second quarter as foreigners were net sellers on the back of the Greek crisis. The Fund will keep its position in big cap stocks as a conservative stance against foreign outflows.
